Just Cashflow is delighted to introduce you to a Foreign Exchange Service which will help your business operate efficiently and could reduce your costs and your exchange risks.

We've partnered with Lumon, a leading provider of FX services in the UK and abroad, to bring you "Just Cashflow FX".

So, if you make or receive foreign currency payments, deal with suppliers or customers abroad in sterling or know that you will make or receive foreign payments in the future, you could benefit from our services.

Here's what you can expect from us:

-  Competitive rates based on up to the minute market pricing.
-  A choice of on-line or telephone trading.
-  An on-line system to show your payments and FX trades.
-  An expert team able to discuss your forthcoming currency requirements and support to manage the cost of your currency exposure by the creation and implementation of a hedging strategy that suits your underlying business.
-  A fully compliant service from a UK-regulated supplier.

The online dealing system will feature:

-  Manage business wherever and whenever needed
-  Simple account administration
-  Provides full reporting & improved auditing
-  View accounts for reassurance and up to date data
-  Speeds up trades and payments
-  Secure access 24/7, trading 08:00-17:30
-  End to end self-serve spot trades
-  View & add payments for all trades
-  Upon payment, send an automated payment confirmation to bring peace of mind and provide a full audit trail
-  Instruct payments to beneficiaries online for each trade.
-  E-mail notifications which will keep you up to date with your trades
-  Instruct drawdowns from existing forwards, you could do the full drawdown process online

Increased security as it requires both “what you know and what you hold” to successfully logon (for example a username, password, and mobile verification code), reduces chance of fraudulent transactions occurring using stolen credentials.

This service will particularly benefit businesses making foreign payments/ receipts and those with one-off or bespoke requirements.

The service is only available to existing or former Just Cashflow business customers.
