

Revolving Credit Facility Product Guide

The RCF works in the same way as a traditional bank overdraft by providing a pre-agreed credit facility. It is perfect as a general cash flow safety net and can be used for a range of purposes from moving premises and recruitment, to salaries.

Why choose a Revolving Credit Facility with Just Cashflow?

Simple application process giving fast access to business funding

-  Facilities from £10,000 up to £1 million
